Community:

The dictionary meaning

- A group of people having a religion, race, profession or other particular characteristic in common.
- A feeling of fellowship with others, as a result of sharing common attitudes, interests, and goals.

Vibrant Community !!

What's that?

It's a Community of people:-

- With diverse backgrounds and common interest.
- Having a sense of family bonding among themselves.
- Where people enjoy what they do.

Develop (!Create)

- Communities already exist.
- We need to recognize and develop them into Vibrant Mozilla Communities.

Contributor's Perspective

Why should I contribute?

- How do I find my local community?
- How do I reach out to them?
- Where do I fit in?
